Fall in love with your backyard

With the hustle and bustle of summer behind us, fall offers an opportunity to relax a bit. Earlier sunsets and cooler temps make sitting around a fire a welcome thought. We offer Polywood design services to help you choose the right set up for your space. Whether you're looking for an all new entertaining area or just want to refresh your existing space, give us a call to set up a consult or check out our website for a link to Polywood.

1

LEAVE THE LEAVES

Mowing leaves and leaving on grass provide a return of nutrients to the soil.

2

TURN OFF WATER

Winterize your fountains, irrigation or other water features before a freeze.

3

FERTILIZE

Nitrogen, Phosphorous and Potassium combine to create winter hardiness for your lawn.

S'Mores

Made popular in 1927 by Girl Scout Leader, Loretta Scott Crew.

Falling Leaves

Popular belief is: as many fallen leaves as can be caught in the hand, so many happy months will follow.

McCormick

First blended and sold Pumpkin Pie Spice in 1934.
